

ENERGY POLICY STATEMENT

Dunbia, A Division of Dawn Meats, are a leading food processor, producing fresh and frozen meat products for the UK, Europe and Global Food Markets. The Company is committed to achieving energy performance improvements as part of our overall environmental strategy. We have implemented an energy management system which conforms to the requirements of ISO 50001.

Dunbia commits to:

- Complying with applicable legal and other requirements related to energy management.
- Improve energy efficiency as a continuous improvement process.
- Incorporating energy efficiency as a key component for new equipment, major renovation and new design.
- Providing the framework for setting and reviewing energy objectives and targets.
- Assuring the availability of information and resources to meet our objectives and targets.
- Promoting energy saving awareness to all our employees.

This policy will be communicated to all staff, contractors and suppliers, and be available to the public through selected media.
